Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives. Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges. Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide. We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences. These events provide a platform for effective collaborations on the latest research for the worldwide community. Our conferences include exceptional keynote speeches, interactive sessions, and lively debates on research and development in Medicine, Engineering, and Technology. **(click here for more)**

About Conference

Scientex Conferences has the honor of inviting distinguished professionals and scholars in the field of cardiovascular sciences to participate in the **2ⁿᵈ International Conference on Cardiology and Cardio Care**, scheduled to be held on **November 13–14, 2026**, in **Bangkok, Thailand**.

This esteemed international forum will bring together leading cardiologists, researchers, academicians, and healthcare professionals to present and discuss pioneering research, innovative clinical practices, and the most recent advancements in cardiology and cardiovascular care.

Cardio Care 2026 offers a valuable platform for professionals from medicine, pharmaceutical sciences, medical technology, surgery, academia, and allied disciplines to engage in high-level scientific exchange. The primary objective of the conference is not only to deliberate on the central theme but also to promote global collaboration, strengthen professional networks, and contribute to the advancement of a unified international cardiovascular community. **(click here for more)**
